

## **REMARKS**

Claims 1-3, 5-7, 9-11, 13-15 and 17-21 are pending in the instant application. No claims have been added by this Amendment. No claims have been cancelled by this Amendment. Therefore upon entry of this present Amendment claims 1-3, 5-7, 9-11, 13-15 and 17-21 will remain pending.

Claims 1-3, 5-7, 9 and 21 have been allowed.

Claims 13 and 14 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicant wishes to thank Examiner for the allowable subject matter. Examiner has indicated that the limitations in Applicant's argument are not recited in claims 10 and 18. Applicant has amended claim 10 and 18 to have the limitations for which the Examiner has indicated provided allowable subject matter in claim 1. Thus, Applicant submits that claims 10 and 18 are in condition for allowance. Claims 11, 13-15 and 17 are dependent upon claim 10 and are also in condition for allowance. Claims 19 and 20 depend upon claim 18.

According to after final practice, Applicant has amended the claims to include the allowable subject matter to place the application in condition for allowance. Applicant believes this application and the claims herein to be in a condition for allowance and that the Amendments do not raise any new issues that would require a further consideration or search. Thus, the Amendment should be entered.

## ***DRAWINGS***

The drawings are objected to because antennas "10" and "30" did not show proper flow. Applicant has amended the drawings so that the standard symbol for antennas are used for antennas "10" and "30". Replacement sheets are being submitted.

Applicant respectfully requests a Notice of Allowance or timely Advisory Action. Please charge any additional fees, or credit overpayment to Deposit Account No. 20-0668. Should the Examiner have further inquiry concerning these matters, please contact the below named attorney for Applicants.

Respectfully submitted:
